The China Mail.

HONGKONG, MONDAY, OCTOBER 7, 1895. The P. M. s. e. City of Rio de Janeiro, with

Honokono is seriously threatened with two evils during the next six months -fire and water, or rather want of L'd., closed from this date to the 24th water. The Water Authority might usefully be called on to present a return. from estimates if he has not exact records, of the consumption of water by the Fire Brigade in recent years. was a part of the original waterworks scheme to provide enough fresh water from the street mains for all the requirements of the fire engines as well as for so inordinately, and domestic waste has grown so persistently, that even in years of full-rain supply we are liable to be put on short commons, to make out on something like a bucketful of water a day. And now we have missed the normal yearly rainfall, and are already cut down to a water supply of an hour a scheming to ensure that even during that single bour no more than the 'prescribed domestic quantity' shall be drawn The delivery of the English Mail was from the pipes by anybody. At the begun at 3.35 p.m. yesterday. same time we are face to face with the Fire Fiend, more active and defiant H.M.S. Redpole has returned to Singapore Chinamen. The collapse is attributed to than ever, because the Fire Ordinance from Bangkok. has conspicuously failed in its object. In summer it is not so bad, because there is usually plenty of water, there | toris on the 5th inst. is no such pressing want of money as THE Fuping, from Hongkong, put into there is just before the great settlingday of Chinese New Year, and there is Shanghai on the 29th ult., to repair her no such ever-alluring temptation as the damaged rudder.

imminent as to justify the extreme step miral Buller was at Wuhu, with the majorthat the Water Authority has taken- ity of the British fleet close at hand. and not even the most rancorous detail of it may be exceptionable—it is fever. time to lay down a stringent rule that drinking-water must not be thrown THE Empress of Japan arrived at Nagasaki vernment may stand aghast at the idea of wiping out one of the cardinal points for Vancouver. of the great waterworks scheme; but THE N. Y. K. steamer Milki Maru, from there is no help for it. There simply is not water enough for both the Fire Brigade and the domestic wants of the and may be expected here on the 11th inst. without. In putting out a fire, it is impossible to argue with the flames, or to draw a legislative line at the the morning of the 6th inst. satisfied with; once a hose-pipe is The N. P. s.s. Tacoma arrived at Yokoturned on, it must be kept on, for days hams on Sunday, the 6th inst., and will for assaulting them, because, as alleged, are subdued; or else it is better ports of call. not to begin at all. So the water must not begin to depend on them. Begin at once with sea water, and make that suffice. A single fire-hose lets out thirty to fifty times as much as an ordinary tap; a single fire may take as much water as the Colony needs New South Wales was phenomenal—the water in the mains is supposed to be shot off 23 hours a day; and though bush fires were received at Sydney on the it can be turned on when wanted, 10th ult. from all parts of the country. that means waste of time in finding the man to do it, getting him out of bed and into his clothes and down the street Moyune, from Glasgow and Liverpool realise on his insurance policy, to cut the waterman's telephone wire before

supply. This practice cannot reason-It comes to this-that for at any rate the ensuing dry season, arrangements must be made for the fire Brigade to prices, and the funmount allowed for | rely solely on sea water for their hose, It is a little difficult to do all at once: an effort was made at Saturday's fire, water was mostly used. If better preparations had been made it would have been possible to dispense entirely with fresh water, even in Hollywood Road. Perhaps money will be required for a N.E. munsoon and moderate seas to port. Our Registered Teleaphic Address is set of storage tanks, or a permanent And all signed isanges addressed That would meet all ordinary requirements, for not one fire is a hundred of any importance is out of reach of the to displace the wasteful and dangerous system of using fresh water for fires in times of scarcity.

Ir is stated in Clyde shipping circles that the Japanese Government has given out orders to Clyde builders for five large warships, to cost between £4,000,100 and £5,000,000.

THE Straits Times says :- We understand that Messre G. T. Hare, R. J. Wilkinson, and G. J. L. Litton, at present members of the Civil Service of the Straits Settlements, have telegraphically received perroission from the Secretary of State to the Consular service in China. Dissatisfied with their prospects in the civil service, these gentlemen applied some time ago for the permission they have now received with unexpected celerity. They are disbelievers in the Straits; they are optimists regarding the prospects in the diplomatic field of the For East. They prefer to sacrifice their years of labour here, their pension qualifications, their seniority, all in fact, to enter what to them appears a far easier and more rapid route to distinction and substantial remaneration. It is a serious step to take, some may call it rash, but these gentlemen are men of erudition and comtheir undertaking if they undertake it-but there is yet time for repentance.

The German cruiser Kormoran arrived in port on the 29th ult. THE SITUATION IN SOUTH

FORMOSA. THE ATTACK ON TAIWANFOO, On the 2nd is st. all was quiet at Taiwan-

foo, the Black Flags apparently having no ides of the impending Lapanese attack. At Amoy, on the 4 h inst., a telegram was received by the British Consul from Tamsui

stating that the Japanes had stracked Tai-

wanfoo. The Douglas steamer Hailoong, leave their present appointments and enter wich happened to be in port, received orders to proceed to Taiwanfoo at once, probably to utilise the opportunity to secure a large number of passengers, who will doubtless be willing to pay any price to escape Japanese reprisals which are sure to take place when they see the heads of their countrymen expused publicly on the highway between Taiwanfoo and Anning.

It is reported that a Japanese expedition started from Tamaui on Saturday for South Formusa. As far as the intention of the mon sense, and we wish them success in Japanesa can be made out, the move would be partly by sea and partly by land.

COSTA RICA PACKET CASE. London, Bept. 12.—The Czar of Russia

London, Sept. 8 .- The newspapers in IMPERIAL DEFENCE. - PROPOSED COLONIAL

CONTRIBUTIONS. London, Sept. 6. - A deputation representing the Imperial Federation League was received yesterday by Lord Salisbury (Prime Minister and Secretary of State for Foreign Affairs), the Duke of Devonshire (Lord President of the Council), the Marquis of Lansdowne (Scoretary of State for War), and Mr Joseph Chamberlain (Secretary of State for the Colonies). The deputation urged upon the Government the advisability of acting upon the suggestion of the special committee the league appointed to deal with the matter of Imperial defeace, to the effect that the Government affould invite the colonies to contribute towards the cost of maintaining the navy on condition that they have a voice in its administration. In reply, the Ministers promised to give careful consideration to the auggestion. Lord Salisbury in speaking on the question, implied that there was a danger that the proposal, if carried out, would create the evil of a divided control. In commenting upon the proposal, the Standard expresses doubt as to The funeral took place this morning at the whether the question is ripe for settlement. Sept. 7 .- In commenting upon the auggestion of the defence committee of the Imperial Federation League, the Times says

that the gratuitous unval defence of the colonies by the Empire is the strongest bond of Imperial union. The cost of maintaining tion of the colonies would be a welcome earnest of the sympathy of the colonists

London, Sept. 10.—The Times this morto whether the colonial Covernments will

of Coburg, third daughter of the Duke and Duchess of Cohurg, has been betrothed to Prince Hohenlohe Langenbourg.

COLLAPSE OF A PIER. London, Sept. 9 .- An alarming accident took place to day at Morecambe, the wellknown seaside resort in Lancashire. While London, Sept. 14 .- The residence of Miss | crowded with people the end of the pier collapsed, and \$50 of those upon it were thrown into the sea. Great excitement prevailed. Many managed to gain the beach. and assistance was rendered to the others. One person was drowned.

PAPAL INFALLIBILITY. London, Sept. 10 .- Cardinal Vaugher. Archbishop of Westminster, has declared in the course of a speech on the subject of the rennion of Christendom, that the kernel of reunion is the admission of Papal in-

fallibility. SCULLING IN ENGLAND. London, Sept. 9 .- A race was rowed over the championship course on the Thames from Putney to Mortiske this afternoon between C. R. Harding, of Putney, and T. Sullivan, formerly of New Zealand and Sydney, for £200 a side and the championship of England. Harding, who was the holder of the championship, won easily by five

The botting was 11 to 10 on Harding. Sullivan led for half the distance, but then became exhausted.

ARCTIC EXPLORATION. London, Sept. 11 .- News has reached London to the effect that the expedition to the North Pole, which left England in July. 1894, in the steamer Windward, under the command of Mr F. G. Jackson, F.R.G.S. has reached Vardo · Island, off the north coast of Norway.

Sept. 12 .- Three of the crew of the Windward died from sourvy. Mr Jackson and the other members of the expedition left Franz Josef Land northward in sledges on the 3rd of March last. The expedition was organised by Mr A.

C. W. Barmsworth, who provided the greater portion of the cost. The Windward, a screw steamship, was specially built and fitted up for the voyage. ENGLISH CHICKET...

London, September 12.-L. H. Gwynn, an Irish cricketer who has recently come to the front as a bateman, heads the batting averages in first-class matches for the past season with an average of 56. M'Laren comes next with 51.21, and Dr W. G. Grace is third with an average of 51. A Ward is seventh on the list, and Mr A. E. Stoddart is thirteenth. In the howling averages Richardson is fourth, and Peel sixth. London, Sept. 8.—In the cricket match just concluded between the North and South of England, Dr W. Grace scored his ninth

century for the present cricket season. London, Sept. 11.—The match between Mr A. E. Stoddart's cricket team and an All England Eleven was a natured at Lord's to-day. There was egain a large attend-

Stoddart's Eleven resumed their second innings, and at the adjournment for lunchenn had scored 182 run for the loss of six wickets. On resuming play Lockwood and Ford made a protracted stand and defied the bowling. When the score had been raised to 289 Stoddart declared the innings closed. Ford played a splendid innings, and scored 111 not out. Lookwood was also in excellent form, and put together 60 not out. Both were loudly cheered on retiring to the

England, with 287 runs to get to win made a feeble display of betting in their second innings, being quite numble to play the bowling of Richardson and Peel. They were all disposed of for 68, Mr Studdart's Kleven thue winning by 216 runs. Scores :- Stoddart's Eleven, 217 and 289

for six wickets; All England, 220 and 08.
